

IN-LINE Double Lockers

Our lockers are right at home in the front office. The all metal construction features reinforced panels that are concealed for a smooth, refined appearance both inside and out. These single wide lockers provide secure storage for the jacket, shoes and personal items. They can be configured in countless ways with any locker in our line to accent a wall, divide a space or as a counter height work surface support.

IN-LINE

Double Lockers

FEATURES

- Lockers may be ordered with metal or laminate fronts
- Multiple color door order forms make it easy to mix and match door colors
- Both doors hinge together, either left or right
- Each locker compartment includes (2) two-pronged coat hooks, one per side
- The two locker doors are keyed randomly in the factory

BASIC CONSTRUCTION

- Four leveling glides with 7/8" adjustment ensure proper alignment and operation, and are accessible from inside the locker
- Lockers include inner side panels, so that structural components are concealed
- Lockers are shipped fully assembled

OPTIONS AND ACCESSORIES

- Double Door Lockers do not include shelves. Adjustable shelves available
- Choose from keyed locks, electronic locks, or hasp locks
- Peel-and-stick door number plates .030 acrylic 1" h x 2"w, surface color in brushed aluminum imprinted in black with any combination of numbers needed to permanently identify individual locker doors
- Common laminate tops
- Locker ganging kit, for ganging lockers side-to-side

KEYED LOCK SYSTEM

- Includes LL series locks, keyed alike, bright nickel, master-keyed, and core-removable (may be keyed-alike in the field). Other key series are available

HASP LOCKS

- Hasp locks may be used instead of a keyed or electronic lock
- Used in conjunction with the A: Full Pull

To order, specify "Hasp Lock" in the product description on your purchase order and add \$50 list per door to the keyed locker price

ELECTRONIC LOCK SYSTEM

- Durable and versatile, electronic locks may be programmed to either fixed or revolving mode
