

IN-LINE

Single & Double Wide Open Cubby Lockers

Our Cubbys give everyone a secure place to call their own. The all metal construction features reinforced panels that are concealed for a smooth, refined appearance both inside and out. They can be configured in countless ways with any locker in our line to accent a wall, divide a space or as a counter height work surface support.

IN-LINE

Single & Double Wide Open Cubby Lockers

FEATURES

- Open cubby lockers provide personal storage in efficient spaces
- When ganging lockers together side-by-side, use the locator holes provided. On both the left and right sides of the locker, two holes are hidden behind the top shelf and two more are hidden beneath removable bottom pan

BASIC CONSTRUCTION

- Four leveling glides with 7/8" adjustment ensure proper alignment and operation, and are accessible from inside the locker
- Lockers include inner side panels, so that structural components are concealed
- Lockers are shipped fully assembled

OPTIONS AND ACCESSORIES

- Interior power outlets may be installed inside locker compartments.
- Common laminate tops
- Locker ganging kit, for ganging lockers side-to-side
