

IN-LINE Single Lockers

Our lockers are right at home in the front office. The all metal construction features reinforced panels that are concealed for a smooth, refined appearance both inside and out. These single wide lockers provide secure storage for the jacket, shoes and personal items. They can be configured in countless ways with any locker in our line to accent a wall, divide a space or as a counter height work surface support..

FEATURES

- Lockers may be ordered with metal or laminate fronts
- Multiple color door order forms make it easy to mix and match door colors
- Additional shelves are available for order
- 51-3/8" and 65-7/8" high lockers include one adjustable shelf on top, with up to 12" clear height above the shelf
- 39-7/8" high lockers do not include any shelves
- 27-3/4" high lockers include one adjustable shelf, but no coat rod or hooks
- The 18" deep lockers include (2) two-pronged coat hooks, one on each side. The 24" deep lockers include (1) side-to-side coat rod

BASIC CONSTRUCTION

- Four leveling glides with 7/8" adjustment ensure proper alignment and operation, and are accessible from inside the locker
- Lockers include inner side panels, so that structural components are concealed
- Lockers are shipped fully assembled

OPTIONS AND ACCESSORIES

- Choose from keyed locks, electronic locks, or hasp locks
- Interior power outlets may be installed inside locker compartments.
- Peel-and-stick door number plates .030 acrylic 1" h x 2"w, surface color in brushed aluminum imprinted in black with any combination of numbers needed to permanently identify individual locker doors
- Common laminate tops
- Locker ganging kit, for ganging lockers side-to-side

INTERIOR POWER OUTLET

- Specify 110v power outlets inside the locker compartment
- A multi-circuit power feed can accommodate up to 32 lockers, with plug-in power inside each locker and wires routed outside and behind the cabinets
