E: Integrate Lock PullGO Keyless!

All Metalworks lockers may be ordered to include electronic locks rather than keyed locks. Durable and flexible, Metalwork's electronic locks are easily programmed to either fixed or revolving mode:

Fixed Mode:

Once a code is created, that code remains in effect until the user changes it. To lock and unlock: enter the code and then turn the lever.

Revolving Mode:

Also called hoteling or single use mode, the code is cleared after each complete locking cycle. To lock: enter a code and then turn the lever. To unlock: enter the same code and turn the lever. At this point the lock clears the code and is awaiting new input.

Features

- Once a code is entered, the lock is activated by turning the lever to the locked or unlocked position
- Runs on 2 AAA batteries (included)
- Operates using a 4-to-8 digit code
- A supervisor code is included
- May be programmed by supervisor as Fixed or Revolving Code
- Programmable reset features
- Easy to clean membrane keypad
- 25,000 plus cycles; extended battery life reduces replacement and labor/maintenance costs.
- Two door styles available: A: Full Pull with electronic lock. E: Electronic lock only to be used as a handle pull.
- Laminate fronts with loop pulls also available. Call for quote.
- Locking door hinges left or right
- Includes one fixed shelf on top, with 12" clear height above
- Side-to-side coat rod beneath shelf
- Leveling glides allow for 7/8" adjustment
- Leveling glides are accessible from inside the locker
- Each Double & Quad locker includes a two-pronged coat hook, located in the back panel

Basic Construction

- All Metalworks products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A lifetime warranty ensures long-lasting performance and after-sale support
- Steel frame construction is welded and channels are formed in key areas for strength
- Top, back, side, and center panels are 21 gauge metal
- Inner top, bottom, and side channels are 18 gauge steel
- Shelves are 18 gauge steel, bottom pans 16 gauge steel

Options and Accessories

- Embossed label holder: 1" x 2-5/8" card template is available at metalworks1.com
- Interior power outlet: Call sales to have power specified, to be mounted in the back panel inside each individual locker
- Magnetic Shelf Divider

Door Front Options:

A: Full Pull with E-Lock
