

CAYENNE LOW STORAGE, TWO DRAWER

Features

- Vertical wire management corridor located inside the center back
- For access to this channel, order a metal top with grommet.
- Includes full extension steel ball-bearing slides with anti-rebound features to ensure smooth operation
- Drawer fronts and Cayenne low storage tops are mechanically fastened and removable to maximize design flexibility
- File drawer bins are 11 3/8" in height, with full-height side panels.
- Two file bars are included in each file drawer, for side-to-side filing
- Leveling glides allow for 1/2" adjustment
- Includes counterweight
- Full extension slides

Basic Construction

- All Metalworks products meet or exceed applicable ANSI-BIFMA standards for safety and durability
- A lifetime warranty ensures long lasting performance and after-sale support
- Welded steel frame construction and formed channels ensure strength
- Reinforced vertical and horizontal channels ensure dimensional stability
- A safety interlock mechanism is included, allowing only one drawer to open at a time
- Laminate tops are 5/8" thick, with 3mm edge band
- For Low Storage Cabinets, bottom channels are 16 gauge, top channels, bottom pan, and shelves are 18 gauge, side channels, side panels, top, fronts, and drawer bins are 20 gauge

Options and Accessories

- Low Storage Cabinets may be ordered with metal top, laminate top, or no-top. The no-top option should be used when ganging two cabinets side-by-side with a common laminate top
- Removable cushions with non-slip backing are available in nine sizes
- Double-walled drawer fronts are available for improved sound deadening, and are sold as accessories. A custom-cut closed polyester foam material is adhered to the inside of each drawer front
- File conversion bars for front-to-back filing are sold separately
- Additional accessories include magnetic drawer/shelf dividers, magnetic labels, and adhesive plastic wire management channels cut to 6" lengths for use on the underside of Cayenne Low Storage Cabinets
- Felt drawer lining for soft-touch storage and sound/vibration absorption is available for Cayenne drawers. The felt is 1/8" thick and available for 30", 36", and 42" units
- Metal drawer dividers, for use in Cayenne 6" lateral drawer bins, are sold in packages of three dividers. These dividers may be installed with and without felt drawer liners

Drawer Load Capacity:

30" drawers: 125 lbs
36" drawers: 125 lbs
42" drawers: 125 lbs

Inside Clear Height:

6" drawer - 4.54"
12" drawer - 10.86"

Inside Clear Width:

30" - 26.70"
36" - 32.70"
42" - 38.70"

Lock System

- Cayenne products come standard with randomly-assigned LL Series locks (#226-325)
- UM locks are available as an option and are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Locking system captures the right hand side of both drawers
- A safety interlock mechanism is included, allowing only one drawer to open at a time

Architectural Legs

- 3" high with leveling glides
- Satin nickel finish
- Also available in 27 3/4" high legs; ideal for deskting, benching and peninsula configurations
