

IN-LINE LATERAL FILES WITH 6" DRAWERS

two 6", one 12" drawer

four 6", one 12" drawer

eight 6" drawers

*Not all product configurations shown; see bottom right specifications for all available options

Features

- Replaces the Recessed front lateral with 6" drawers
- Inside drawer height clearance for 6" drawers is 5-5/8"
- All other features identical to standard IN-LINE lateral file
- 6" drawer dividers are sold separately
- Laterals with all 6 inch drawers require no counterweight
- Laterals with a combination of 6 inch drawers and 12 inch drawers do require counterweight if not ganged together or otherwise anchored

Basic Construction

- IN-LINE lateral files feature horizontal lines and full-width fronts consistent with all other IN-LINE products
- All Metalworks products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A lifetime warranty ensures long-lasting performance and after-sale support
- Steel frame construction is welded and channels are formed in key areas for strength
- Reinforced vertical and horizontal channels ensure dimensional stability
- Inner frame is 20 gauge metal. Fronts, tops, outer panels are 20 and 22 gauge. Drawer bins and shelves are 18 and 20 gauge
- The horizontal lock strip on 4-high and 5-high laterals is located above the fourth drawer. In 6-high laterals, the lock strip is located above the fifth drawer

Options and Accessories

- Drawer fronts and lateral tops are mechanically fastened and removable to maximize design flexibility
- Laminate fronts are available on all IN-LINE laterals
- Polyethylene drawer front filler for increased sound deadening is available as an upgrade
- File conversion bars for front-to-back filing are sold separately
- Additional accessories include magnetic drawer/shelf dividers, magnetic labels, security bar lock, and drawer front fillers

Drawer Load Capacity

- 6" high: 30", 36", 42" drawer 125 lbs
- 12" high: 30", 36", 42" drawer: 125 lbs

Lock System

- Laterals come standard with randomly-assigned LL Series locks (#226-325)
- UM locks are available as an option and are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- The locking system captures drawer fronts on both sides for added security
