

IN-LINE LATERALS

*Not all product configurations shown; see bottom right specifications for all available options

Features

- Full-width, square edge drawer fronts
- Laminate tops are sold separately for individual laterals and laterals paired side-by-side or back-to-back (see lateral accessories in price books). Please note that a laminate top may not be placed on top of a IN-LINE lateral that includes a flipper door on the top opening
- Counterweight is required if not ganged together or otherwise anchored
- The top opening of 5-high and 6-high laterals features an over-the-top flipper door with 13-1/4" inside clear height for binder storage
- All drawers and roll-out shelves include full extension steel ball-bearing slides with anti-rebound features to ensure smooth operation
- Drawer includes full-height side panels
- Two file bars are included in each drawer, for side-to-side filing
- Four leveling glides with 1-1/4" adjustment are included to ensure proper drawer alignment and operation
- All Metalworks' lateral drawer bins will accommodate A4, Letter, and Legal size filing

Drawer Load Capacity

- 30", 36", 42" drawer: 125 lbs

Lock System

- Laterals come standard with randomly-assigned LL Series locks (#226-325)
- UM locks are available as an option and are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- The locking system captures drawer fronts on both sides for added security

LL Series
(Standard)

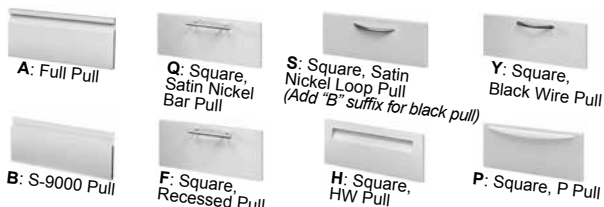

UM Series

Basic Construction

- IN-LINE lateral files feature horizontal lines and full-width fronts consistent with all other IN-LINE products
- All Metalworks products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A lifetime warranty ensures long-lasting performance and after-sale support
- Steel frame construction is welded and channels are formed in key areas for strength. Reinforced vertical and horizontal channels ensure dimensional stability
- Drawer fronts include rubber bumpers for quiet operation
- Inner frame is 20 gauge metal. Fronts, tops, outer panels are 20 and 22 gauge. Drawer bins and shelves are 18 and 20 gauge
- The horizontal lock strip on 4-high and 5-high laterals is located above the fourth drawer. In 6-high laterals, the lock strip is located above the fifth drawer

Options and Accessories

- Drawer fronts and lateral tops are mechanically fastened and removable to maximize design flexibility
- Laminate fronts are available on all IN-LINE laterals. Please see the Specification Guide in the front of price books
- Polyethylene drawer front filler for increased sound deadening is available as an upgrade
- File conversion bars for front-to-back filing are sold separately
- Additional accessories include magnetic drawer/shelf dividers, magnetic labels, security bar lock, and drawer front fillers
