

PERSONAL DRAWER

Drawer mounts directly to underside of work surface using "L" brackets affixed to full extension ball bearing slides

Lock mounts to the right of the drawer

Features

- Sleek, thin design allows the drawer to hide discretely beneath the desk
- Full extension slides
- Four integral storage compartments
- Available with or without a lock.
- Lock may also be ordered separately for later field installation

Basic Construction

- Durable 22 gauge steel drawer bin and mounting brackets
- Full-extension steel ball-bearing slides
- Integral handle pull
- Black power coat finish
- Mounts directly to the underside of the work surface using two 14" brackets that are mechanically fastened to the slides
- All Metalworks products meet or exceed applicable ANSI-BIFMA requirements for safety and durability

Lock System

- Mobile Cupboard Wardrobe Towers come standard with randomly-assigned LL Series locks (#226-325)
- UM locks are available as an option and are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field

LL Series
