Cubby Lockers

Our Cubbys give everyone a secure place to call their own. The all metal construction features reinforced panels that are concealed for a smooth, refined appearance both inside and out. They can be configured in countless ways with any locker in our line to accent a wall, divide a space or as a counter height work surface support.

Pull Options

FEATURES

- Lockers may be ordered with metal or laminate fronts
- Multiple color door order forms make it easy to mix and match door colors
- Cubby locker doors are keyed randomly in the factory
- All Cubby locker doors hinge together, either left or right

BASIC CONSTRUCTION

- Four leveling glides with 7/8" adjustment ensure proper alignment and operation, and are accessible from inside the locker
- Lockers include inner side panels, so that structural components are concealed
- Lockers are shipped fully assembled

OPTIONS AND ACCESSORIES

- Choose from keyed locks, electronic locks, or hasp locks
- Interior power outlets may be installed inside locker compartments.
- Peel-and-stick door number plates .030 acrylic 1" h x 2"w, surface color in brushed aluminum imprinted in black with any combination of numbers needed to permanently identify individual locker doors
- Common laminate tops
- Locker ganging kit, for ganging lockers side-to-side

LOCKS

Choose from keyed, electronic, mechanical or hasp locks

- **Keyed Lock:** standard lockers include randomly-assigned LL Series locks, bright nickel, master-keyed, and core-removable. Other key series locks include black UM, and Knoll K
- Hasp Lock: may be used instead of a keyed or electronic lock and are available as an integrated pull or with the A: Full Pull. To order, specify "Hasp Lock" in the product description on your purchase order and add $55 list per door to the keyed locker price
- Electronic Lock: touch pad electronic operation may be programmed to either fixed or revolving mode
- Pearl Lock: Ultra thin – Pearl has the lowest keypad surface height of any electronic keypad lock
- Nano E-Lock Mini Keypad: Access with ADA-compliant keypad or free Wesko App
- Mechanical Lock: dial mechanism with 10,000 combinations, no batteries required

PLUG 'N PLAY USB CHARGING

- Plug and play components
- Preconfigured kits for easy ordering
- 110v plug in feed for up to 8 lockers
- Total 25W power output
- Intelligent USB Type C with Power Delivery
- Reversible USB Type A with Fast Charge
- Internal overload protection
- LED Power Delivery indication
